

Dear Members,

After discussion with the executive officers, we do not wish to risk the health of any of our members. Therefore, the **2020 Clinic and Spring Meeting will be cancelled.** Below are several items describing how we will proceed.

1. All registrations for the 2020 Clinic will be refunded in full.
2. All presenters will receive a gift on behalf of the association.
3. Boy's Survey: We will be sending out a survey in regards to boy's concerns, please take some time and voice your opinions. The survey will be coming on Monday, March 23rd.
4. Spring Meeting: We will send out an update from all committees within the standard agenda. This will be coming by April 6 via e-mail.
5. Spring Clinic Door prizes will be raffled off at the upcoming Boy's and Girl's State meets.

As we move forward, I wish all good health and best wishes.

Sincerely,
